

The Herald and News

H. H. AULL, Editor.

President Roosevelt has given to the public a memorandum on the report of Fourth Assistant Postmaster General Bristow on the postoffice investigation. President Roosevelt takes to himself the credit for exposing the corruption of a number of years and attempts to clear himself of the responsibility. That is Roosevelt.

Every day or two comes the same old story of negroes, and in many instances white people, locking their children in the house and going away and coming back to find them burned to death. Such happenings are becoming entirely too common. Such negligence on the part of parents is a crime and should be punished.

There have been several lynchings within the past week or more, and two of them were in South Carolina. In Louisiana on Sunday there were several lynchings for a murder. The two lynchings in our own State were for the usual crime, which in nine cases out of ten will always provoke lynching.

Sheriff Buford at Honea Path.

Sheriff Buford, of Newberry county, paid our section a professional visit last week and sustained his reputation as one of the most efficient officers in the State by arresting Ben Abney alias Geo. Jones, colored, wanted by the authorities of Newberry county for disposing of mortgage property. The negro after disposing of the property left for parts unknown. He was finally located by our local sleuths, Messrs. Trussell and Haynes, in Greenville county. They notified Sheriff Buford of his whereabouts, and his arrest was soon effected.—Honea Path Chronicle.

Rich Farm Land for Sale Cheap.

THERE IS OFFERED FOR PRIVATE sale about 480 acres of the rich hickory and oak lands of the Hobbs plantation—part of the famous Eichelberger tract—in the Dutch Fork on the Lexington side of the Newberry-Lexington county line. The lands front one mile on Broad river, and one mile on the main Maybinton and Columbia public road. It is two miles from Hope Station, four miles from Pomaria and five miles from Peak on the Southern railroad. The tract adjoins the plantation of James C. Hope. There are fine uplands for cotton and rich bottom for corn. The land grows anything. On the place is a new dwelling, excellent tenant houses and two large modern barns. The land is well watered and timbered. Col. John F. Hobbs, the owner, lives in New York city and has to neglect the property, therefore he has consented to sell it. The tract will be sold in one piece or cut to suit purchasers.

TERMS: One-third cash, and balance secured by mortgage or bond for title to suit the purchaser at 7 per cent. interest per annum.

These lands always produce a crop. The place will be sold cheap, but cheaper in one tract. It is an ideal place for a home; land that lasts; fruit, game, fishing, fine pastures. For terms, &c., see or write to Col. W. H. Wallace, Newberry Observer, James C. Hope, Esq., Peak, S. C., or Col. John F. Hobbs, 136 East 48th Street, New York City, N. Y., or to E. H. Aull, Newberry, S. C.
